

# **Industrial Psychology**

## **Practical 4**

### **Part A**

**(To be referred by students)**

**Topic:** Create a feedback form for any infrastructural or educational facilities of your college and get at least 10 stakeholders' responses through the form and give a basic conclusion related to the responses. The basic questions that the form could include are:

- The level of satisfaction for the facility
- Any additional Suggestions
- The most liked feature
- The least liked feature

Note: the above-mentioned questions are just examples, students can select their own set of questions if they want to.

**Name:**

**Class:** B.Tech (CSBS)

**Semester:** VIII

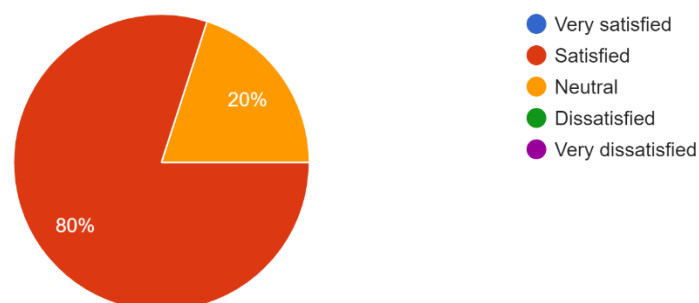

**Roll no.:** A016,A018,A022

**Date of experiment:** 11/01/23

### **Part B**

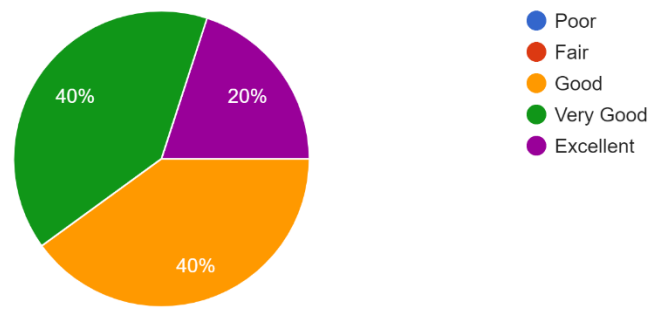

**(To be Done by students)**

Overall, how satisfied are you with your educational experience at our college?  
10 responses

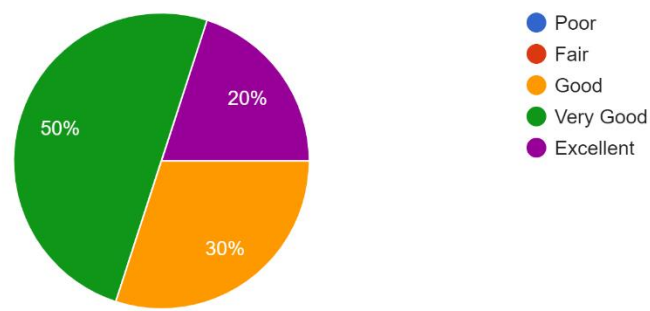

**How would you rate the following services/facilities at the college:**

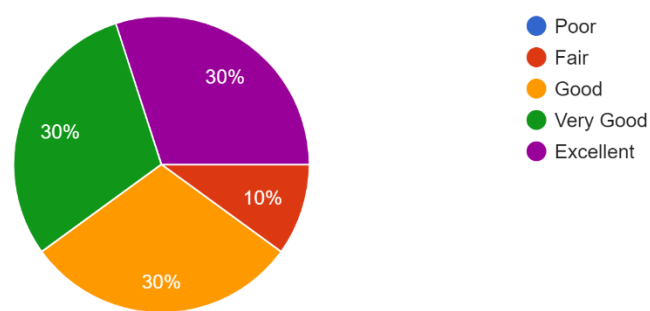

Campus  
10 responses

Class and laboratory facilities  
10 responses

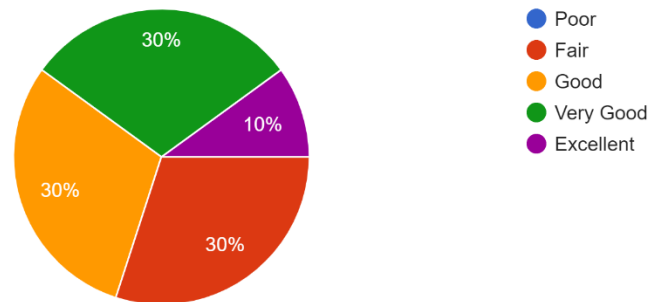

Food Services  
10 responses

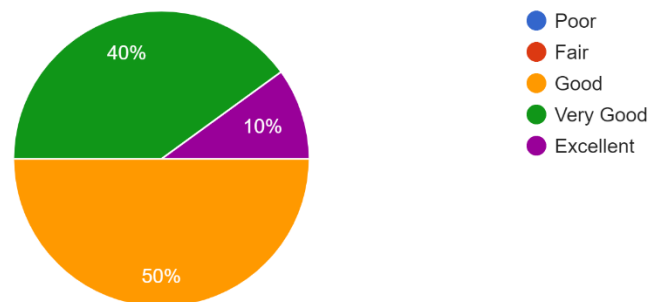

### Career counseling and placement

10 responses

### Library

10 responses

Are there any other issue you are facing. If Yes, please tell what it is.

4 responses

No

Canteen Space is limited, No sports ground or sports facility

No

There is a network problem, if we use our personal network. If we use college net, many sites do not work like LinkedIn, whatsapp web, etc.

## Conclusion

We can conclude that out of 10 people:

- 8 people are satisfied are you with the educational experience at their college, while 2 are having a neutral reaction towards it
- For Campus services/facilities:
  - 4 people find it very good.
  - 2 people find it excellent
